**LAKSHMIPAT SINGHANIA ACADEMY
12-B ALIPORE ROAD, KOLKATA 700 027**

Dear Parents,

With diseases like dengue and viral sweeping over the city like an epidemic, it is our moral responsibility to ensure a healthy environment for our students.

Keeping this in mind, students may report to school in full sleeve white shirts and school uniform trousers and apply mosquito repellent cream in the morning before coming to school. Kindly refrain from sending students suffering from fever or any kind of infection to school.

We seek your co-operation in this endeavour.

For **LAKSHMIPAT SINGHANIA ACADEMY**

Meena Kak
