12-B ALIPORE ROAD, KOLKATA 700 027**

Dear Parents,

Choosing and pursuing the right career path is one of the key decisions every student needs to make. Adopting a scientific approach which is well researched and thought through is critical for making this decision. The pace at which careers are evolving and traditional career paths are losing the edge, it is essential that students increase their awareness and take decisions which are future proof!

As an initiative towards helping students, the school is bringing a career guidance program with Mindler ([www.mindler.com](http://www.mindler.com)) which has developed the World's Most Advanced Career Guidance Platform. Mindler helps students discover their unique potential which helps them make an apt career choice through assessment & activities! The comprehensive career guidance eco-system is aimed at empowering students to make well-informed career decisions. What makes this platform unique is the blend of machine learning with strategic human interventions, aiding students to choose the best-suited career path. Mindler team has already helped hundreds of our students in the past and we are looking forward to take their support for the coming year as well.

About Mindler ([www.mindler.com](http://www.mindler.com))

Mindler is a venture run by alumni from Harvard, ISB, IIT and world's leading psychometrician and enables students discover their unique potential to take well-informed career decisions.
