

## Abhilasha 2018

### Samaritan Service

The middle-school fest of Lakshmiapat Singhania Academy, ABHILASHA, will be held on 17<sup>th</sup> August, 2018. The message of the fest is inclusiveness whereby we embrace the marginalised. Keeping this in mind, this year we are going to engage our students in a social service project with a view to imbue the students with compassion.

We are going to contribute some basic amenities to a home for the visually impaired and deserted children with some disability. We plan to offer them our token of love, on 13<sup>th</sup> of August, 2018. Respective HRTs will provide the details of the project to their students.

This is an initiative for which we would like the students to contribute on their own accord. Let's all spread some happiness and joy among those 'who only stand and wait' and rediscover the '*joy of giving*'.

This time the beneficiaries are the inmates of **Voice of the World**, a home for the visually challenged, situated in Sakherbazar, Behala and **Shishur Sevay**, in Sahapur, which is the home for deserted disabled children.

Our children should learn to empathise with the 'children of lesser God'. They should have compassion and love in their hearts. Encourage them to be so and help them grow.
