

LAKSHMIPAT SINGHANIA ACADEMY  
12-B ALIPORE ROAD, KOLKATA 700 027

Dear Parents,

It gives me great pleasure and satisfaction to see this academic session coming to an end. It has been a great year with accolades and laurels that have been showered on us and as we reflect on our achievements, it is important to mention that our children have been with us throughout in this journey of commitment and passion to perform, and have helped us reach where we are. Parents, it is also due to your constant support and your faith in us that has helped the school stay ahead.

As I pen down some of the noteworthy felicitations that the school received, I want the parents and children alike, to share with me this feeling/sense of glory, pride and distinction in our school. The Education World rankings has been maintained for the last 4 years – 2<sup>nd</sup> in Kolkata and West Bengal, 6<sup>th</sup> in academic reputation at the national level.

*Daan utsav Sarvottam Sarvik Samaan* for the second consecutive year wherein our school won the Overall Contribution to Society Award.

Our Chess contingents outshone other schools both at the Zonal and National levels. National CBSE chess competition 2018 was a roaring success, with our children getting silver and bronze medals champions in all categories of age.

The US Department of State awarded a certificate of appreciation to the academy for promoting mutual understanding between India and the United States through support of the YES Abroad program. Once again the path is paved for participating in the International Space Settlement Design Competition having won the 14<sup>th</sup> Asian Space Settlement Design Competition for the 6<sup>th</sup> consecutive time; we won the Platinum Award in International Cyberfair with the theme 'Heritage Buildings'. Our film 'Beyond Borders' won the best film at the regional and the national levels.

Education is a multi-dimensional word: that stretches beyond the syllabi and text books, classrooms and teachers. It is a noble task of getting a child ready to live in this world independently, fearlessly, respectfully and with integrity. The moral compass that all of us have within us is activated in the children at this stage of their lives and is tuned appropriately. As parents you have a role too, to support us and encourage us, as in doing so you are passing on a message of total trust and belief in your child's world, in our system, that your kids are imbibing and learning from.
