Dear Parents,

With great pleasure we inform that LakshmiPat Singhania Academy will be hosting the CBSE Regional Science Exhibition, 2019 on the theme 'Scientific Solutions for Challenges in Life' on 27th and 28th January, 2019. Students from 32 CBSE schools from various cities will be participating in this exhibition. Eminent scientists are going to grace the occasion as mentors, guides and judges.

We extend a warm invitation to parents to come with their wards (in regular school uniform) to see the exhibition. We are sure this is going to be a great learning experience for one and all. Your presence will go a long way in encouraging the students who have worked so hard and reaffirm our faith in science and scientific mindedness.
