ENGLISH PROJECT
UNKEPT PROMISE

Write in about 50 words
what you learnt from the story?
Mother nature gives us the gift of life. We
should learn to respect it. The gift given to
us by nature belongs to everyone whether it be
humans animals or insects. So we should
learn to share it with everyone. The story also
helps us to understand how important it is to
Keep ones promise.

LESSON
LEARNT

REFLECTION

The past I dislike the most where
the man does not keep his promise
in spite of the mouse helping in the time
of need. The human being insensitive brakes
his promise and shows how ungrateful
he was towards the animal...

I was inquisitive about the surprise my mother planned for my birthday.

- 3) BEMUSED - puzzled or confused.
While doing my arithmetic assignment I got bemused over a sum.
- 4) ELATED - very happy.
It was an elated moment when I received the olympiad awards.
