LAKSHMIPAT SINGHANIA ACADEMY INTERNATIONAL**

Dear Parents / Guardians,

We are delighted to invite you to the **Living Memory Exhibition** where the exhibits are specially handpicked and assembled by our students that brings the past alive through stories, artefacts, photographs, traditions, and personal memories.

This exhibition is the outcome of meaningful conversations between our students and their families, where memories have been preserved, celebrated, and shared across generations. Through this project, our students will gain insight into how individual memories contribute to collective history, fostering critical thinking and respect for diverse perspectives.

We also wish to invite you to **Taana Baana**, an exhibition where artisans will exhibit traditional textiles, offering a wonderful opportunity for our students and parents to witness craftsmanship, creativity, and the rich heritage of Indian textiles. This interaction will help students recognise textiles as living narratives of culture, identity and community rather than mere material objects.
