Mountains and Beaches of Incredible India

A. Have you been on a vacation to a beach or a hill station lately? Paste a photo of your family and write a few lines about your trip.

Read the poem given below and complete the following exercise:

In mountains high, where eagles fly
Mighty peaks, touch the sky.
Among the pines, a peaceful song,
Nature's music, pure and strong.

On sandy shores, where waves collide,
endless beaches, stretching wide.
Beneath the sun, a salty breeze,
Whispering tales of far off seas.
In mountains tall and beaches wide,
Nature's beauty side by side.

B. Write two pairs of rhyming words from in the poem:

The height of the mountains in India allows a large variety of adventure sports to be executed and enjoyed. Right from rock climbing to bungee jumping, as well as paragliding and snow-skiing, simple sports such as water rafting can be enjoyed. In India, there are three ski destinations – Gulmarg in Kashmir, Auli in Uttarakhand and Solang Valley near Manali in Himachal Pradesh.

Madhu and Mohit are wearing red and green ski jackets respectively. Which skier will collect the maximum number of flags?

D. Find out by colouring the flags on which the answers are equal to 5 with red colour and the flags on which the answers are equal to 7 with green colour. GET SET GO!

The flags contain the following math problems:

- Top row: $12 - 5$, $3 + 2$, $10 - 5$
- Second row: $3 + 4$, $14 - 7$
- Third row: $4 + 1$, $11 - 4$, $6 + 1$
- Bottom row: $10 - 3$, $0 + 5$

Number of flags Madhu collected _____

Number of flags Mohit collected _____

The competition is over. Let us find who the winner is.
