

**LAKSHMIPAT SINGHANIA ACADEMY**  
**12-B ALIPORE ROAD, KOLKATA 700 027**

Dear Parents,

Since 2007, Lakshmipat Singhania Academy has traversed a long way – a journey through an idyllic world without boundaries. We are visionaries, who believe in a world where everybody has freedom of exchange and where identities embody cultural diffusion.

Our Academy has been working in partnership with schools from South Africa, the U.K., the USA, Nigeria, Brazil and Germany.

Since 2011, Internationalism in learning has become an integral part of our Quality Policy whereby we have interwoven the thematic Projects with the curricular lessons in such a manner that has won us the International School Award 4 times from British Council Education Department. We need to encourage our youngsters to notice the commonalities as much as the differences among the countries the world over so that they imbibe the culture of tolerance and forbearance, of harmony and peace and service to human kind irrespective of borderlines.

Our school is organizing the next International Students' Exchange Programme with **Kaufmännische Schule Aalen, Germany**. 16 students from **Kaufmännische Schule Aalen** will visit our school from **4th January 2020 to 17th January 2020**. Our students will visit **Kaufmännische Schule** from **8th May to 21st May, 2020** and stay with host families of students from that school. The families will take care of the students during their stay there. Our students will be able to explore the German education system, visit places of natural heritage in Germany and learn about the German family values and their sense of discipline and self-worthiness.

In this regard, students are requested to submit their application, mentioning their willingness to participate in this International Students' Exchange Programme. Please note that the families of students who are taking part in this programme shall be hosting the guest students and shall do everything that is required to make their stay in our country informative, remarkable and memorable. The families shall also bear the expenses towards travel cost, visa charges and insurance fees.

Applications must be submitted by 11.11.2019.

For further elucidations, interested students may contact Ma'm Nandini Chanda, International Link Coordinator.
