LAKSHMIPAT SINGHANIA ACADEMY
12-B ALIPORE ROAD, KOLKATA 700 027

Dear Parents,

Aligning with the values attached by our school to the responsibility towards wildlife and nature, we announce an exciting and meaningful initiative in celebration of International Tiger Day which is celebrated every year on 29th July. Our school has decided to adopt a tiger at the Zoological Garden, Alipore to contribute to the conservation efforts of this magnificent but endangered species for one year. This initiative not only supports the care and maintenance of the tiger but also elicits awareness about the importance of wildlife conservation among our students.

Each student is invited to contribute a nominal amount of Rs.175/- annually towards the maintenance of the adopted tiger. The amount will be adjusted in the 3rd quarter of your fees. The amount is waived for those students who have already paid their fees for the whole session. This contribution will help cover costs of food, medical care, and habitat upkeep of the tiger for a period of one year.

As part of this initiative, students will have the opportunity to visit the zoo and check on our adopted tiger. These visits will allow students to observe, learn about its habitat, and understand the significance of conservation efforts.

Parents/guardians are encouraged to support this cause and motivate their children to participate actively. By participating in this initiative, students will be playing a vital role in the preservation of tigers and contributing to a global cause.

Let's come together as a school community to make a positive impact on the world around us.

Thank you for your support and enthusiasm.
