Dear Parents,

Greetings !!

Empowering students with new cutting-edge knowledge through various educative and informative activities is a commitment and tradition of our Academy. It not only nurtures progress and innovation, but also serves as a catalyst of education and interaction, as well as a window into the minds of the quintessential Indian youth.

Last two years, the Times of India (NIE) and Telegraph (Young Metro) have given our students various opportunities for learning, even during the pandemic through workshops, competitions, and sending the pdf version of the newspaper.
