Sindhu - The Bronze Woman

PV Sindhu was awarded a bronze medal at the Tokyo Olympics 2020 for her spectacular win in badminton. The hard work and determination put in by her helped her give the finest performance. The last point earned in the final match clearly shows her winning confidence and sense of satisfaction that her hard work paid off. Being the first woman to win a bronze inspires me to do something that makes my country proud. All the

All the three medalists have given their best efforts in making their country proud. In spite of corona spoiling and delaying the Olympics the players played their best. Determination and hard work are the key qualities that one can learn from athletes - PV Sindhu put in her best efforts that made India proud.
