Veer - Brave

3.) Baghwaan, the mascot for the 2024

Indian Olympic Games, represents the

National Animal and also exudes

qualities of bravery, determination,

confidence, aggression and leadership.

It should be chosen as a mascot of the

Indian Olympics because it is our

national animal and it represents

our cultural heritage. It also helps

to spread awareness about saving

Tigers.

4.) Baghveer, the mascot of 2024 Indian

Olympic Games, has a special message

to give to all the children around the

world. Being a Tiger himself, he wants

to encourage the children to be brave,

confident and fearless when they take

the field. He wants them to have a

spring in their step and move swiftly

just like a Tiger moves in the jungle.
