LAKSHMIPAT SINGHANIA ACADEMY
12-B ALIPORE ROAD, KOLKATA 700 027

Dear Parents,

As an initiative towards helping students, the school is bringing training modules by 'EDUCIS' on Public Speaking, Model United Nations, Storytelling and Poetry.

The aim of the programme is to inculcate all the skills required to be an eloquent and erudite speaker, be it for the purpose of competitive debates, public speeches or other school level events such as Model United Nations, Mock Parliament and Moot Courts. They will train Grades 6, 7 & 8 for 20 hours with about 10 sessions of two or two and half hour each. All these sessions will be conducted in school by their expert coaches.

About EDUCIS

EDUCIS provides class leading international academic counselling and application services for top universities and schools around the globe. Their vision is to help individuals realize their full potential by engaging them with experiential learning programmes, empowering them with relevant skills, and elevating their thinking by increasing exposure. Their advisory has thousands of hours of coaching experience and have placed students in the most venerated institutions over the last few years.

They partner with schools and universities to create bespoke skill development programmes for their students and faculty.

The Academy will bear a part of the price money by EDUCIS and a part will be borne by the students. Students needs to pay Rs 600 only which will include all the above mentioned deliverables.
